

Price & Services

Private Training - \$120

Designed to be used as an initial evaluation or as a deep dive into specific behaviors or learning opportunities, often recommended dogs that are in need of slight “tune-ups”

Private Training 4-Week Package - \$430

Designed to address specific behaviors and achieve training milestones, best used to kick off a new training journey by exploring your dog's greatest strengths

Private Training 6-Week Package - \$600

Designed to address specific behaviors and achieve training milestones, including a deeper dive into building long-lasting results and behaviors

Puppy Starter Kit - 6-Week - \$720

Designed for you and your puppy the first 6 weeks after they join the family

Weekly 1-hour lessons

Puppy starter kit complete with place bed, clicker, and puppy enrichment toys

Custom Packages can be discussed after an initial private training evaluation

Price & Services

Dog Trainer on Monthly Retainer - \$800

Designed for new dog owners, the addition of a new dog or puppy, creating strong lasting behaviors, adjusting troublesome behaviors, and more.

- 2 weekly one-hour lessons, with or without the owner (average 8 lessons per month, exact number varies depending on days in the month)
- Personalized self-study lessons
- In-home and/or field trips
- Dog training helpline during business hours (all questions will be answered in less than 24 during business hours)

Virtual Training Support - \$80

Designed to support ongoing training efforts, great to support current goals, training setbacks, and problematic issues. Best suited for training that can be done inside as this training is 100% virtual

Custom Packages can be discussed after an initial private training evaluation
